ABOUT US

LOCATION

Penticton is located in BC's Okanagan Valley and is one of two cities in the world situated between two lakes, Okanagan Lake and Skaha Lake. From the Interior Salish word "snpintktn", Penticton translates to "a place to stay forever". As a meeting and convention destination, delegates often want to stay forever. Walkable and safe, there are over 80 wineries in the area, 5 km of sandy public beaches, 150 regional trails, seven craft breweries, and BC's Best Farmers' Markets.

ACCESS

Penticton Airport services direct Pacific Coastal Airlines and WestJet flights from Vancouver, Calgary and Edmonton and is less than 7km to downtown.

4.5 hour drive East of Vancouver and 45 minute drive South of Kelowna.

Hosting all types of events including meetings, banquets, consumer shows, conventions, and special events, the Penticton Trade and Convention Centre has a space perfect for your next event. For conventions, the centre is ideally suited to accommodate up to 650 delegates with a dedicated trade show component.
