

# PENTICTON TRADE AND CONVENTION CENTRE COVID HEALTH & SAFETY PROCEDURES

All venue staff have been trained on safety and sanitation protocols and procedures as determined by the **Provincial Health Office (PHO)**.

Increased cleaning and sanitation procedures are in effect in accordance to the orders from the **PHO** and **BC Centre of Disease Control (BCCDC)**.

Hand sanitizer stations are located throughout the venue as well as educational signage for hand and respiratory hygiene best practices.

Masks are mandatory within the facility for all staff, contractors and attendees.

Physical distancing of 6 feet (2 metres) is practiced and enforced within the venue. All setups for meetings and events will meet current physical distancing requirements as determined by the **PHO**.

Food and beverage preparation are in line with the current orders from the **BC Restaurant and Food Services Association's Blueprint for Reopening**.

*We look forward to hosting you, safely.*
