ABOUT US

LOCATION

Penticton is located in BC's Okanagan Valley and is one of two cities in the world situated between two lakes, Okanagan Lake and Skaha Lake. From the Interior Salish word "snpintktn", Penticton translates to "a place to stay forever". As a meeting and convention destination, delegates often want to stay forever. Walkable and safe, there are over 80 wineries in the area, 5 km of sandy public beaches, 150 regional trails, seven craft breweries and BC's Best Farmers' Markets.

ACCESS

Penticton Regional Airport services direct flights from Vancouver, Calgary and Edmonton and is less than 7 km to downtown.

4.5 hour drive East of Vancouver and 45 minute drive South of Kelowna.
